Dear Mr. Culver:

This is in answer to your letter of June 19 with which you supplied a suggested form for reporting severance tax data.

As you may know, we are mining uranium and vanadium ore and it is my understanding that we are prohibited by the Atomic Energy Commission from supplying information concerning tonnage and grade of uranium ores produced. Heretofore, in making our severance tax returns, we have indicated the taxable value of the ore and the amount of taxes due.

Unless we are supplied authority by the Atomic Energy Commission authorizing us to furnish this information, I believe it best that we continue reporting as at present.

Yours truly,

T. O. Evans
Chief Mining Engineer
